TARRA Bridge Networks

These are curated peer-to-peer groups where members connect, learn and invest in themselves and each other. Each group is led by an expert facilitator.

Collectively the networks navigate professional challenges, discuss ideas and offer access to resources. Bridge Networks give our members the tools to thrive.

Why Join a Bridge Network?

Network with TARRA members for support and growth

Build a local, professional community invested in your success

Discover resources, ideas and tools to boost your professional ambitions

Dive into educational opportunities

Get advice and share knowledge in a supportive space

Create your own personal advisory board for guidance

Small Business & Solopreneurs

For founders, small business owners, solopreneurs, and consultants, this network discusses a range of topics from budgeting, finance and funding to goal setting, project management, marketing, strategy, innovation, technology and more.

**This is not a sales or leads group*

Marketing, Branding & Social Media Professionals

The world of marketing, advertising, branding, social media, strategy and consulting is complex. This network is customized to the needs of marketing, branding and social media professionals. Topics include advertising, project assessments, social media, AI technology, strategy, branding, client challenges, contracts, legal and more.

**This network is not for small business owners looking for marketing help!*

Coaching & Counseling Professionals

This network is for coaches, therapists, counselors, and all professionals in the mental health/wellness and personal development industries. Topics covered: Strategic partnerships, creative and innovative ideas, service & product development, business models, technology integration, and more.
